I've been cryin' my heart out
Do you love me or do you love me not
If you keep tryin', you'll hear me sighin'
Forg-e-e-et me not

I've been wearin' my mind out
To have you close I'd give all that I've got
The love we tasted, has it been wasted
Forg-e-e-et me not

Ain't I just a lucky guy
Forget me not, forget me not
Woh, I'd lay me down to die
If love is one big lie

There's no need to remind me
Love's afire when the kisses grow hot
So take this ember, then you'll remember
Forg-e-e-et me not

Well, ain't I just a lucky guy
Forget me not, forget me not
Woh, I'd lay me down to die
If love is one big lie

There's no need to remind me
Love's afire when the kisses grow hot
So take this ember, then you'll remember
Forg-e-e-et me not

Forg-e-e-et me not

Forg-e-e-et me not
