I can feel you pushing me away  
Like a lost ship driftin' on the bay  
When you touch me, it's just not the same  
When you hold me, I feel like a stranger again

Have you fallen out of love with me  
Tell the truth now, Babe  
Is there someone else who's waiting, waiting for you  
Does he say the things you want-a hear  
Does he do the things I never did for you  
Have you fallen out of love with me for somebody new

Now we're only going through the motions  
You've been sailing on another ocean  
Ain't no reason to go on pretending  
You can tell me, we can still be good friends

Have you fallen out of love with me  
Oh, tell the truth now, Babe  
Is there someone else who's waiting, waiting for you

Does he say the things you want-a hear  
Does he do the things I never did for you  
Have you fallen out of love with me for somebody new

SPOKEN:

Oh Darling, I can see a change in you  
You know we just don't seem to communicate  
The way we used to do  
And I know you tell me you still want me around  
But Honey, I know he's waitin' for ya  
Somewhere on the other side of town

Have you fallen out of love with me  
Oh, tell the truth now, Babe  
Is there someone else who's waiting, waiting for you  
Does he say the things you want-a hear  
Does he do the things I never did for you  
Have you fallen out of love with me for somebody new  
Have you fallen out of love with me for somebody new
