Well I ask ya  
What a way to treat a guy  
What a way to cheat and lie  
Because I wanted you

Well I ask ya  
Did you have to bring me down  
Did you have to go to town  
And smash my world in two

Don't think you're getting away with it  
You're gonna pay me some how  
You cruelly wrecked my life  
But oh you want me now  
Baby just you ask me  
Get down on your knees and try

I won't break till I see you cry  
Like me when I ask you  
Alright

Don't think you're getting away with it  
You're gonna pay me some how  
You cruelly wrecked my life  
But oh you want me now

Just you ask me  
Get down on your knees and try  
I won't break till I see you cry  
Like me when I ask you

Well I ask ya  
Well I ask ya  
Well I ask ya
