Lighting up blue
twisting up sower
if you be the haze
niggas blaze purple flower

I'm waking baking the morning to clear ym conscious
immune to non-sense, smell the turkey bake and my
shawty
cook in the dime bitch
she fix me eggs, then get me head,
I'm in that pussy then she gone back to bed,
young boy go get that bread,
that's what she tell me, she a real bitch that hold it
down
Keyshia and Belly yeah
looked it already, rolling another for the road,
I'll be trap and smoking drinking and nigga say I'm on
control,
I'll be dole oh, never taking photos,
'cause they worth a thousand words and I'll be doggin
hoes like toto
now you not in my roto, I'll be living life slow mow,
creeping through them yellow lights,
summer heat and mellow nights,
molly in my system got my vision like I'm SN twice
wonder who the victim little vixin gonna be the night
sleeping problem with the light green city haze,
enough roaches in my ash, trade and spray and down
we rate

In my shade, come and see a nigga in my way
tryin to get another dollar, I guess is just another day
how's the day

Lighting up blue twisting up sower
if you be the hazeniggas blaze purple flower
I was tryin to get my head right to when I went wrong
pumping on this little dream damn she's wrong.

Lighting up blue
twisting up sower

if you be the haze
niggas blaze purple flower

I smoke the finest indeed,
purple green no seas find in my weed
she roll it light it for me,
had smoke and she never breathe
she rap the hair up, hate just think up on weed
I'm sick of shawty and shawty counting all of this
cheese
I'm cooling 50 degrees, I'm on my way up catching this
blue

Lighting up blue twisting up sower
if you be the hazeniggas blaze purple flower
I was tryin to get my head right to when I went wrong
pumping on this little dream damn she's wrong.
Lighting up blue twisting up sower
if you be the haze, niggas blaze purple flower.
