(Linda Perry) - reprise de 4 Non Blondes

Twenty-five years and my life is still
Trying to get up that great big hill of hope for a
destination...
And I realized quickly when I knew I should
That the world was made up of this brotherhood of
man
For whatever that means.
And so I cry sometimes when I'm lying in bed
Just to get it all out what's in my head
And I'm feeling a little peculiar.
And so I wake in the morning and I step outside
And I take a deep breath and I get real high
And I scream at the top of my lungs, what's going on?

And I say, hey hey hey hey! I said hey, what's going
on?

And I try, oh my God, do I try, I try all the time, in this
institution.
And I pray, oh my God, do I pray
I pray every single day for a revolution.
And so I cry sometimes when I'm lying in bed
Just to get it all out what's in my head
And I'm feeling a little peculiar.
And so I wake in the morning and I step outside
And I take a deep breath and I get real high
And I scream at the top of my lungs, what's going on?

And I say, hey hey hey hey! I said hey, what's going
on?
