Seven  
Seven deadly saints  
Oh, seven  
Seven deadly saints can fight for us

When the devil comes for your soul  
And the evil will take control  
And when Lord Satan is on your mind  
And the demons  
Call from behind

No revelation  
The darkest night  
Incarnation  
Crucified at midnight

Congregation  
To provoke  
Immolation  
It's not too late 'cause

Stay, I pray  
Help me I'm a slave in Satan's order  
Stay, I pray  
Call the ancient prophecy  
Come to me

Seven  
Seven deadly saints  
Oh, seven  
Seven deadly saints can fight for us

When no prayer can ease your pain  
And the sermon is all insane  
And when your heaven and hope is gone  
They will hunt you  
For what you've done to us

Inside the darkness they will wait for you  
Seven demons incarnate it's true

Master help me I'm a slave in Satan's order  
Break free, call the age of prophecy  
Come to me

Seven  
Seven deadly saints  
Oh, seven  
Seven deadly saints can fight for us
