If you could see me here this way
Looking backwards from today
Would you do it all again?

If I could roll it back to you
Just like lovers always do
I'm stoned in love, but not with you

Good luck
Cause we're not feeling stoned in love
It's how I am feeling now
I feel this love is made of stone
We're not feeling stoned in love [x2]

If we could wash the past away
Would we go our separate ways
Or do it all again?
As if I care

Is this the way it's meant to be
Stoned in love, but not with me?
You're stoned in love, but not with me

Good luck
Cause we're not feeling stoned in love
It's how I am feeling now
I feel this love is made of stone
We're not feeling stoned in love [x2]

Stoned in love
I'm stoned in love, but not with you

Good luck
Because we're not feeling stoned in love
It is how I am feeling now
I feel the love is made of stone
We're not feeling stoned in love
Good luck

Stoned in love [x6]
Stoned in love, but not with you

As if I care [x4]
