PYT

Here's to summer heat

And sweat

Skin in mad abundance

Regret? Reset!

AYT

One for you and three for me

Availability, no responsibility

Pretty, annoying, dead

CYT

Smoke this trident just for me

Blatant arrogance

Fake some innocence

DYT

Three on you is good fun for me

This sorority deserves no mercy

Pretty, annoying, dead

A provocation and a

Bad case of ruby red

Skinny, annoying, dead

Rise and fall

Counter violence

A simple answer to your call

Smell of sunscreen

Do you mind a bit of cream

Omega Chi

Do you really wonder why?

Smell of sunscreen

Do you mind a bit of (extra) cream

Back print

Angel wings

The flower girl's a saint

You feed her and she feeds you back

Attention, tar, and taint

Don't fall for the flower girl
She knows just what you think
This fortnight she'll regenerate
She'll dance and cast her skin
