Like crystal doves  
and falling leaves  
a feather in the wind  
the time has come for you to show  
uoh uoh oh oh

An astral body of love  
in another world  
We can find  
in your heart  
I can find the sign

Sweetened love  
If I can have you now  
I'm calling out your name  
Angel of love  
Sacredly yearning astral plane

Sweetened love  
if you can hold me now  
I'm burning in your flame  
Angel of love  
sacredly yearning astral plane

In the life long stream  
I had a dream  
wait here beside me  
it's a golden moon  
a universe so soft  
close your eyes and you will see

I know one day  
you'll find your way  
to reach the other side of me  
an astral body of love we can find
