Hey, hey, on your marks, get set, go to zero  
Present and correct, go to zero  
North, South, East and West, go to zero  
Nothing is the best, go to zero

I do this and I do that  
And when it's cold, I wear a hat  
It's mostly cold  
It pays to advertise, they say  
I'll keep my hat on anyway  
Or so I'm told

When you're on patrol, go to zero  
By remote control, go to zero  
Forward, pause, return, go to zero  
All roads lead astern, go to zero

I do this and I do that  
And when it's cold, I wear a hat  
It's mostly cold  
It pays to advertise, they say  
I'll keep my hat on anyway  
Or so I'm told

When you miss your cue, go to zero  
Start the dance anew, go to zero  
Black, red, white and blue, go to zero

When you lose the one, go to zero  
Rewind can be fun, go to zero  
Nudge it left and right, go to zero  
Don't wait 'til tonight, go to zero, go to zero

I do this and I do that  
And when it's cold, I wear a hat  
It's mostly cold  
It pays to advertise, they say  
I'll keep my hat on anyway  
Or so I'm told, go to zero

Everywhere you go, go to zero  
Nought is apropos, go to zero

North, South, East and West, go to zero  
Nothing is the best, go to zero
