Though today you might be riding
The engines of progress
Working in the major factories
Call me if you ever feel like letting go

I still remember the days of
Kid dynamo, kid dynamo
Kid dynamo, kid dynamo

Bowowowowo wa-ah ow
Wowowowowo wa-ah ow
Spreading in the subways
Of the playback from the train tracks
I think your mind was born with water wings
And now when I see you
All the generation screams
I remember the dreams of
Kid dynamo, kid dynamo
Kid dynamo, kid dynamo

Kid dynamo, I remember you
Kid dynamo, because I sleep with you
Kid dynamo, cause I have been with you
Oh let it be said
How the media builds stars
And our minds will not change
Only our cars

Kid dynamo, kid dynamo
Kid dynamo
Kid dynamo
Kid dynamo

Kid dynamo, I remember you
Kid dynamo, because I think of you
Kid dynamo, cause I have looked at you
Kid dynamo,
Kid dynamo, kid dynamo

Kid dynamo, kid dynamo
