I heard you on the wireless back in 52  
Lying awake, intent at tuning in on you  
If I was young, it didn't stop you coming through

Oh-a oh

They took the credit for your second symphony  
Rewritten by machine and new technology  
And now I understand the problems you can see

Oh-a oh

I met your children

Oh-a oh

What did you tell them?

Video killed the radio star  
Video killed the radio star

Pictures came and broke your heart

Oh-a-a-a oh

And now we meet in an abandoned studio  
We hear the playback and it seems so long ago  
And you remember, the jingles used to go

Oh-a oh

You were the first one

Oh-a oh

You were the last one

Video killed the radio star  
Video killed the radio star

In my mind and in my car  
We can't rewind, we've gone to far

Oh-a-aho oh

Oh-a-aho oh

Video killed the radio star  
Video killed the radio star

In my mind and in my car  
We can't rewind, we've gone to far  
Pictures came and broke your heart  
Put the blame on VTR

You are a radio star  
You are a radio star
