Bring up something different
Bring us a new sin
Watch where you walk though
That's where the mans been
Wipe off those smiles
Please try again
Conclusion hypnotized
Release the men
Pre-Chorus
Go down, down, up and down
Color the circle
Come save some lives
Watch where you walk though
Most people die
Wipe off those smiles
Gather some friends
It's time to go
Release the men
Pre-Chorus
Go down, up and down
Chorus
Straight from the seedling of the last illusion
Looking quite nice but say goodbye, goodbye
The difference lies within the mass confusion
So all aboard and say goodbye, goodbye
So all aboard and say goodbye, goodbye
So all aboard
Bring up something different
(goodbye)
Bring us a new sin
(goodbye)
Watch where you walk though
That's where the mans been
Wipe off those smiles
Please try again
Conclusion hypnotized
Release the men
Pre-Chorus
Go down, up and down
Chorus
Straight from the seedling of the last illusion

Looking quite nice but say goodbye, goodbye
The difference lies within the mass confusion
So all aboard and say goodbye, GOODBYE
