Here come a girl
Walkin' down the street
Boy, she is sweet
From her head to her feet

Sugar-sugar
Sugar-sugar
Sugar-sugar
Come, go home with me
Uh-huh, huh, huh

Gold is red
And the fire was blue
Sugar's sweet
And so are you

Sugar-sugar
Sugar-sugar
Sugar-sugar
Come, go home with me
Uh-huh, huh, huh

Well, best little dancer
In this town
You rock n' roll
'Till the sun goes down

Sugar-sugar
Sugar-sugar
Sugar-sugar
Come, go home with me
Uh-huh, huh, huh

(sax & instrumental)

When I see you
Comin' down the street

My knees start knockin'
And my heart skips a beat

Sugar-sugar
Sugar-sugar
Sugar-sugar
Come, go home with me
Um-hm-hm

I like the way you look
And the way you walk
The way you look
And the way you talk

Sugar-sugar
Sugar-sugar
Sugar-sugar
Come, go home with me
A-huh, huh, huh

A-huh, huh, huh

Oh, yes

Oh, yeah

A-huh, uh-huh

FADES-

Ooh, yeah

Yeah

Ooh-ho-ho.
