I have missed you so much
Life has been unfair
Sorry I had left us
Iâ€™ll never leave again

It was the worst mistake
Some things in life are uncontrollable
Youâ€™ve got to take whatâ€™s here
And hold it tight and never let go

We are made for each other
We are meant to be
Without, it will be harder
So glad youâ€™re back with me

It was the worst mistake
Some things in life are uncontrollable
Youâ€™ve got to take whatâ€™s here
And hold it tight and never let go

But circumstances made me do
Things Iâ€™d never thought before I lost control
Give me back what I adored
Give me back what I still love

It was the worst mistake
Youâ€™ve got to take whatâ€™s here
And never let go
