walk on by the house where you still live
walk on by the place where we would kiss
and the room where i held you tight tonight
i must walk on by
walk on by the room where you still sleep
walk on by the company that you keep
and the room where i held you tight tonight
i must walk on by
some how i know
i wont forget you no no no no no i wont
you wont forget me no no no no no you wont
i'll keep on walking away from here
i'll forget you when i reach the otherside
walk on by the house where you still live
walk on by the place where we would kiss
and the room where i held you tight tonight
i must walk on by
and the room where i held you tight tonight
i must walk on by
