What's up?  
Back down on Dayton bitch in '93 hoes  
Backstabba-first name coke last name cane  
Ira Dorsey's hoes  
Back in this bitch after ootin up a key  
Shoestring-the fuckin prostitute killa!  
Hey what's up hoes?  
We fin to do this shit again  
You can't fuck with us!

As a child my motha told me that my body would grow  
Into a perm-bootin sperm-shootin MC pro  
My ????? on how to make dough  
I a ? for his money took his gold and mo'  
I took his money went to Hinkle down on dope Dayton  
Ave.  
Bought a hundred ? oot and a o and a half  
Why toot it up, no place to go, so I reach for the phone  
Called three hoes all with my babies but nobody's at  
home  
Reach for my bat pulled out the gat put in the clip now  
its smooth  
Chew on my ginger up at the porch now I'm on a jack  
move  
My posse's thick don't take no shit but I still move along  
If I was livin in those days I would have stuck up Capone  
Back to my story now I'm lookin for somebody to take  
Went to the club and saw Rudy so I went for the gate  
Walked up to G said "Introduce me" and he told her my  
name  
Even said my last name Dorsey there's no hoe in my  
game  
I said "Yo dude I need 9 ounces" and he told me the  
spot  
I said "Oh no come down on Dayton, ????? is too hot"  
We met on Dayton things were straight but you just  
couldn't relate  
He said "No scale oh what the hell, I'm not concerned  
with the wait"  
From rags to riches all the bitches and that's all that we  
said

Before I go I'll let you know he caught two to the head  
I'm a talk a little bit about the set that I'm from  
All you local neighborhoods no you don't want none  
All of you other weed clicks in the county of Genesee  
(ask amber rose)  
Don't you fuck with D-A-Y-T-O-N A-V-E.  
CAUSE ITS THE AVE!

(dope diggety dope diggety Dayton Ave)

Nobody fucks me, especially on Dayton Avenue  
Cause all I do is sell crack smoke cornbrew  
You can't hang nigga maybe you should gang bang  
You wanna get wit us but you can't hit us cause its a  
Dayton thang  
He cuts some booties but his boys are steady rollin  
hard  
The chase is on they got us runnin through the back  
door  
My dick is peppin see I'm steppin to the concrete  
I'm rude he pops ????? and now he's late I sleep  
I jumped a fence my pants are rippin see my legs tore  
They got me mad and see I'm watching all my blood  
pour  
Now I'm bloody and I'm weak and I can't make it far  
Pulled out my gauge and I'm aimin at them bitches  
core  
He aimed back, I said, "Fuck it nigga, kill me!"  
It wasn't loaded and I exploded them hoes a dead G  
You're fuckin with a lunatic a psycho in a war zone  
Nobody's boostin me I'm tootin cane on my own  
I ?? them booties now I'm sittin here countin my cash  
I'm all alone, bleedin in this tall grass  
Nobody sees me nobody knows where I'm at  
But that's okay I got my boy and thats my fuckin gat  
Nobody scares me not even in a dream son  
I'm tootin the cane from the nose of my shotgun  
I turn around and start poppin, what's up homey?  
Just like the Geto Boyz my mind is playin tricks on me  
I squeeze the trigga, your dead, just see  
I'm from the DAYTON Dayton Avenue Avenue G
