Aother day, Lil Esham in the streets summertime
All the hoes are outside summertime

[Shoestring]

I be that gangsta like??? steadily hittin you with doble
barrel

See shit like a sparrow and shoot you like a bow and
arrow

Shoestring is the terror, squeeze the bloody
massacara

40 heads is in the window and my shadow's in the
mirror

Scopin you like the one time, but bitch this ain't no law
shit

Searchin you up and down, no fuckin around I want that
raw shit

??? up under my shoes, we jackin you jewels cause its
my way

Nice as rice slick as ice meltin in your driveway

Thicker than the boochies ??? than a snakebite

Leave you drippin blood like a pussy in a pt fight

Shoestring's out to damage ya aimin this at your
temple

Bustin you like a pimple, takin your shit is so simple

Cruisin down your block in my big suburban blazer

Boxin like Joe Frazier, leavin cuts on niggas faces like a
razor

But that was the old days, now I bok with a fuckin luger

No slippin no trippin I stack my victims like Freddy
Krueger

He lays in the cemetary, the Grim Reaper took his lfe

No shorts on them ?? hoes, I fronted you's a fuckin
dyke

You ridin on these, buster freeze, got you niggas
beggin please

Reachin for them g's, fingers squeezed, blew off his
knees

I grabbed his wallet, now I got myself a Caddie Coup

Bought me a suit and the 1200 dollar gator boots

Smokin on gizzy, the toxic got me feelin dizzy

So much wait in my trunk, it makes me pops a willie

Ridin down on strip, now watch me dip like a fuckin
sniper
Quick like a Viper, motherfuckers and my engines
hyper
My boys be flippin money grippin, so fuck your crew
My posse's who, my posse is Dayton Avenue

Chorus: (Repeat 3X)

My posse's what, my posse is Dayton Avenue
My posse's who, my posse is Dayton Avenue

[Bootleg]

Come squeeze the triggers niggas, Bootleg he's
prepard to die
It'll be a gangsta's paradise to shoot dice in the sky
In institutions drug abutions since my younger days
Motherfuck a 9 to 5 my gangsta's told me crime pays
I was 17 back in them days, I couldn't spell diploma
But I could tell you bout the weed and crack cocaine
aroma
Niggas my age not gettin paid, I thought they was
dumb as fuck
Why ya'll in school, I'm stealin bags of shit off Pepsi
trucks
Rockin the dope, it got advanced and cooked in
different ways
You want a stove, I'm rockin grams and shit up
microwaves
Why I done rose, lifted hoes ??? begin
Bitch spend the night, I'm takin pussy from my sister's
friends
My moms evict me cause she feel she couldn't control
her baby
I'm just tellin mom, I'm using all the game you gave me
Nothin but poverty inside of me please understand
The sky's the limit ain't shit timid bout this young black
man
The Rap Capone came up strugglin to make his pay
And fuck all those who oppose, they don't live my way
Never knew my daddy, bought a Caddy from another
dealer
Lady on the reala, Coup DeVille I'm ridin down on
niggas
Back in the hood, situation all good, gettin nothin but
gangsta love
Little shorty let me hit that 40, fuckin around with
straight up thugs
My boys be flippin money grippin, so fuck your crew
My posse's who, my posse is Dayton Avenue

Chorus:

Motherfuck your posse, my posse is the shit
Steppin up in the club, all these hoes is on our dick
These niggas are gettin jealous, cause everywhere we
go
We got a pound of weed and about a half of ?? blow, to
let you know
Thinkin you can come in my hood with the disrespect
Fuck around get shot with the AK, bitch Bootleg broke
her neck
That goes for any motherfuckers who wanna fuck with
this
My killers like a sniper flick, when we shoot we never
miss
And to my niggas that's like down to represent the Ave
The feds and cops get so damn jealous when they see
a nigga stackin that cash
Them hoes done took 2 and they lookin to take 3 or 4
But its gone be a Scarface scene, bitch when I'm off
that blow
That means i'm leavin them dead, 2 to the head that
ass gone stank
Better take your bank and gank smoke that dank,
better watch that shank
Watchin his movement pull the shank its time to stick
his ass
Turn around tried to look ??? but bitch I move to fast
Backstabber, Bootleg, Alleycat and also Jodie to
Moneydimes and young T, they also from the Avenue
And to my other Dayton niggas you know who you be
My posse good for runnin this hood F-L-I-N-T
My boys be flippin money grippin, so fuck your crew
My posse's who, my posse is Dayton Avenue
