Ooh, let's go
Steve walks warily down the street
With the brim pulled way down low
Ain't no sound but the sound of his feet
Machine guns ready to go

Are you ready, hey, are you ready for this
Are you hangin' on the edge of your seat
Out of the doorway the bullets rip
To the sound of the beat - yeah

Another one bites the dust
Another one bites the dust
And another one gone and another one gone
Another one bites the dust, eh
Hey, I'm gonna get you too
Another one bites the dust

How do you think I'm going to get along
Without you when you're gone
You took me for everything that I had
And kicked me out on my own

Are you happy ? Are you satisfied ?
How long can you stand the heat
Out of the doorway the bullets rip
To the sound of the beat
Look out

Another one bites the dust
Another one bites the dust
And another one gone and another one gone
Another one bites the dust, eh
Hey, I'm gonna get you too
Another one bites the dust
Hey
Oh take it
Bites the dust - bite the dust hey
Hey
Another one bites the dust
Another one bites the dust, ow
Another one bites the dust, hey hey

Another one bites the dust, heeey
Ooh show down

There are plenty of ways that you can hurt a man
And bring him to the ground
You can beat him
You can cheat him
You can treat him bad and leave him
When he's down, yeah
But I'm ready, yes I'm ready for you
I'm standing on my own two feet
Out of the doorway the bullets rip
Repeating to the sound of the beat
Oh yeah

Another one bites the dust
Another one bites the dust
And another one gone and another one gone
Another one bites the dust, yeah
Hey, I'm gonna get you too
Another one bites the dust
Shoot out
Hey, alright
