[chorus: Khadejia and Product]

The boys look so good but theyre minds are not ready

So here we go yall

Thats why Id rather talk to a man cause his mind is so steady

So here we go yall

Yo, the girl looks so good but her mind is not ready

So here we go yall

Thats why Id rather talk to a woman cause her mind is so steady

So here we go yall

[Khadejia]

Friday night, see Im vibin and feelin right

Sunroof back me and my baby just had a fight

I gotta clear my mind of problems that I have inside

So I bump in my ride so you dont hear me cry

[chorus]

[Product]

Uhhh, the weekends here and Im chillin with my crew

You got me stressed and Im sittin here sippin boo

[Khadejia]

[chorus]

[Wyclef and Pras]

Yo Yo Yo we dont like-a

A jealousy with envy

We dont like

When you smile and wanna blast me

We dont like

Stick up, give up your jewelry

We dont like

Suicide for milly or for dealy

What we like
Yeah is when we chill wit the herb
What we like
Is to drink in the Titanic wit no iceberg
What we like-a
Is when the thugs get hyper
Make sure what your brinme aint carrying lice

Right about now if you ready for the ghetto princess
Khadejia
Let me see one finger in the air

Da da da (one finger in the air)
Da da da da daah (one finger in the air)
Da da da (one finger in the air)
Da da da da daah (one finger in the air)
Da da da daah (one finger in the air)
Daaah

Hey yo Khadejia Khadejia
