"Same Old Fool"

I'm a little older now but I'm
Still the same old fool
Got a beard a moustache and all but I'm
Still the same old fool
It's like I'm never ever gonna grow up
But that's cool

When I get up in the mornin
All I wanna do is play my guitar
Sing a song in my high pitch voice
Take the dog out in the yard
Draw birds and flowers and
Dirty cowgirls and
Watch the hours fly away

Brother's got his own big company
I'm the same old fool
Sister's got the biggest family
I'm the same old fool
It's like I'm never ever gonna grow up
But that's cool

When I get up in the mornin
All I wanna do is play my guitar
Sing a song in my high pitch voice
Take the dog out in the yard
Draw birds and flowers and
Dirty cowgirls and
Watch the hours fly away
