Ooh, never lose your love
Gonna take you back
I'll never, never gonna lose your love

Now play with me, I'll play with you

It wasn't the time that we ever belong
Why is it over, our love was so strong
A woman's hand forever be your friend
Take me, I'm yours, why does this end ?

Ooh, never lose your love
Gonna take you back
Still waiting for you, yeah
I'll never, never gonna lose your love
Gonna take you back
Don't you listen ?

Remember the things we've said and done
It's time for a change, don't let this go wrong
If you want me, I'll be there
Don't turn your face away,
Please listen what I have to say

Never gonna lose your love
Never gonna lose your love
I'll never, never gonna lose your love

Love, love, love, love...

For everyone to see
That you belong to me, yeah

Never gonna lose your love,
Never gonna lose your love

Never gonna lie, sex is lovely but I don't wanna die
Never gonna lie, sex is lovely but I don't wanna die
