And I'm smiling at what used to make me feel worried  
All the time  
And I'm smiling at what used to make me feel worried  
All the time  
And I'm smiling at what used to make me feel guilty  
Guilty  
Guilty all the time  
And I'm smiling  
Yes I'm smiling  
... and I'm throwing up all that used to make me feel  
Guilty all the time

Make one with freedom  
Make one with freedom

There's something good in the air tonight...  
Something fresh and motivating...  
Liberating me...  
Liberating you...  
Delicious breeze of freedom calling me  
Tempting me right here in my ear  
It's making me excited  
A little dizzy  
Yeah! Ecstatic!  
Mmmmm so happy!  
Tell me, tell me:  
Can you feel it too!

And I'm smiling at what used to make me feel worried  
All the time  
And I'm smiling at what used to make me feel worried  
All the time  
And I'm smiling at what used to make me feel guilty  
Guilty  
Guilty all the time  
And I'm smiling  
Yes I'm smiling  
... and I'm throwing up all that used to make me feel  
Guilty all the time

Make one with freedom

Make one with freedom

There's something cool in the air tonight  
I wanna dance and I wanna go wild  
On the top of the highest mountain  
Do you?  
And I'll go swim naked feel the caress of water all  
Over my body  
Will you?  
It's making me excited  
A little dizzy  
Yeah! Ecstatic!  
Mmmmm so happy!  
Tell me, tell me:  
Can you feel it too!

Can you feel it too...  
Can you feel it too...  
I am free... I am free... Are you?  
I am free... I am free... Are you?  
... I am free...
