[P Diddy:]

What's Going On

[Jermaine Dupri:]

Tell Me

[P Diddy:]

People Dying

People Crying

Lord help us

[Bono:]

Mother, mother

There's too many of you crying

[Gwen Stefani:]

Oh, brother, brother, brother

There's far too many of you dying

[Jermaine Dupri:]

That's Right

[Aaron Lewis:]

You know we've got to find a way

To bring some lovin' here today

[Nona Gaye:]

Oh my father, father

We don't need to escalate

[Backstreet Boys:]

You see war is not the answer

[Nona Gaye/Backstreet Boys:]

For only love can conquer hate

[Christina Aguilera:]

You know we've got to find a way

To bring some lovin' here today

[Britney Spears:]

Barricades, can't block our way

[J-Lo:]

Don't punish me with brutality

[Destiny's Child:]

Talk to me

So you can see

[Destiny's Child/Britney Spears:]

[First Chorus]

Oh what's going on

What's going on

Yeah what's going on

Ahh what's going on

[a Rule:]

What's going on in a world filled with pain

Where's the love for which we pray

What's going on

When our children can't play

Homeless can't eat

There's got to be a better way

What's going on

When we politically blind

Can't see the signs of endangered times

What's going on

[Nelly Furtado:]

Ah tell me

What's going on in the world today

I'd rather be dead

Than turn my head away

We gotta first world vision to complete, to lift our

Hands in the air and cry for a switch

[Michael Stipe:]

Father, father

[P Diddy:]

Father help us, come on

[Michael Stipe:]

Everybody thinks we're wrong

[Alicia Keys:]

Oh, but who are they to judge us

Together we can all be strong

[P Diddy:]

United we stand, United we fall

[N'Sync:]

Oh you know we've got to find a way

[Mary J. Blige:]

To bring some understanding here today

[N'Sync:]

Barricades can't block our way

[Darren Hayes (Savage Garden):]

Don't punish me with brutality

[N'Sync:]

Baby talk to me

So you can see

[Second chorus]

Yeah, what's going on

Hey, what's going on

Somebody tell me what's going on

I'll tell you what's goin' on-uh

[Nelly:]

What's going on 'cross seas

Every minute a child dies by this disease

In record numbers indeed

Got mamma's crying out please

My baby hold on

My child ain't done nothing wrong

Still I want to holler

Ask them why they don't bother

Oh no, oh no

Make me turn to my father

And ask him why they all got a trapped soul

[Nas:]

I can feel what was bothering Marvin

Why his words forever remain

Dealing with these modern day problems

'Cause of ignorance surrounding me and my
constituents

Too many infected

Too many lives diminishing

Nobody say Protestants, Jews, Blacks, and Whites,

Latinos and Asians

Pray together

Less fight

We better unite

As genocide chemical war

And the rich and the poor

Know that God delivers a cure

[Eve:]

It's a shame our reality is devastating
People praying for a cure
Dying while they're waiting
Ask the Lord for the comfort and strength to face it
All the kids with dreams
Won't get the chance to chase it
Makes me sad
Think about the lives they would've had
Think about the orphan babies got no moms and dads
How can we sit back and not try to make it right
We gotta come together
We gotta fight for life

[Fred Durst:]

Somebody tell me what's going on
(what's going on)
We got human beings using humans for a bomb
But everyone wanna live
Don't nobody really want to die
You feeling me right
I can't be watching people die
(die)
And watching people cry
Let me break it down for a minute
If there's enough room here for you and me
There's plenty of room for some humanity

Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
