(Herman Hupfeld) You must remember this A kiss is
still a kiss A sigh is just a sigh The fundamental things
apply As time goes by And when two lovers woo They
still say I love you On that you can rely The world will
always welcome lovers As time goes by Moonlight and
lovesongs never out of date Hearts full of passion,
jealousy and hate Woman needs man And man must
have his mate That no one can deny It's still the same
old story The fight for love and glory A case of do or
die The world will always welcome lovers As time goes
