(Stephen Sondheim) Not a day goes by Not a single
day But you're somewhere a part of my life And it looks
like you'll stay As the days go by I keep thinking when
does it end Where's the day I'll have started forgetting
But I just go on thinking and sweating And cursing and
crying And turning and reaching And waking and dying
And no, not a day goes by Not a blessed day But you're
still somehow part of my life And you won't go away So
there's hell to pay And until I die I'll die day after day
after day After day After day after day after day Til the
days go by Til the days go by Til the days go by
