I'll go my way by myself

This is the end of Romance

I'll go my way by myself

Love is only a dance

I'll face the unknown

I'll build a world of my own

No one knows better than I myself

I'm by myself alone

I see your face before me

Clouding my every dream

There is your face before me

You are my only theme

It doesn't matter where you are

I can see how fair you are

I close my eyes and there you are

Over me

If you could share the magic

If you could see me too

There would be nothing tragic

In all my dreams of you

Would that my love could haunt you so

Knowing I want you so

I cant erase your beautiful face before me
