Why must you protes so much  
I just want the little less touch  
Why won't you just let going to  
So harm for one

Why do you hope it so much  
With hoping dosen't to anger  
Oh! baby don't because just to  
May high...

I want you to attack, attack, attack!  
I want you to attack, attack, attack!  
I want you to attack, attack, attack!  
I want you to attack!

Am I do cotes to love  
Am I just asking to much  
I pay you anything to do  
So harm to what  
Good god I want you so much  
But one thing dosen't to anger  
But more I need your heart  
But more I hurt...

I want you to attack, attack, attack!

I want you to attack, attack, attack!  
I want you to attack, attack, attack!  
I want you to attack, attack, attack!  
I want you to attack!

Why must to protes so much  
Protesting dosen't to anger  
Oh! baby don't because just to  
May high...

I want you to attack, attack, attack!  
I want you to attack, attack, attack!  
I want you to attack, attack, attack!  
I want you to attack, attack, attack!  
I want you to attack, attack, attack!

I want you to attack, attack, attack!  
I want you to attack, attack, attack!  
I want you to attack, attack, attack!  
I want you to attack!
