(DavidBacharachWilliams) It's not the way you smile
that touched my heart It's not the way you kiss that
tears me apart But how many many many nights go by I
sit alone at home and cry over you What can I do Can't
help myself Cause baby it's you Baby it's you You
should hear what they say about you (cheat, cheat)
They say, they say you never never ever been true
(cheat, cheat) Wo ho, it doesn't matter what they say I
know I'm gonna love you any old way What can I do,
then it's true Don't want nobody, nobody Cause baby
it's you Baby it's you Wo ho, it doesn't matter what they
say I know I'm gonna love you any old way What can I
do, then it's true Don't want nobody, nobody Cause
baby it's you Baby it's you Don't leave me all alone
