What it does mean
This beat
With the flow motion

So talk when I jump in the beat beat
It go problem scotching miss P.
When I come round you know what, shut up
It's a... sky won't come freely... immediate
And I ain't even try bout getting it easy
Don't... crazy

It's show time about to lose your mind
Taking it down deep underground
Deep low and then you're taking up slow
Dirty base makes you screw up your face

[Chorus]
Right now it's a problem,... as I see it's a problem
What is does to me it's a problem
This beat it's a problem, it's a problem

Deep low and then you're taking up slow
Dirty base makes you screw up your face
... and it take control
Dirty base makes you dizzy for days

[Chorus]
Right now it's a problem,... as I see it's a problem
What is does to me it's a problem
This beat it's a problem, it's a problem

Miss P.
You got a problem
Ohh ooh

Sky... sky won't... no control what
No... I blow kisses come... chicks no misses
No mistletoe I'm like miss to get you
Like mister nox so...

It's a problem, but you... might news... release the truth
... lose the beat... flow motion I'm moving in get it...
Got that motion I gotta chicks... in the ocean
End up... but no... see you now I'm Ok...

[Chorus 2x]

Right now it's a problem,... as I see it's a problem
What is does to me it's a problem,
This beat it's a problem, it's a problem
