My first lover was real sweet, he made a woman out of
me

But he left as quick as he came, my baby James

Mama said I was naive

'Said one day he'd pick up and leave me

But 'till then I swore I'd stay for my baby Jame

My baby's gone and I can't seem to find him

He never calls and he's real bad at writing

Oh where's my baby James

My first lover was real cruel and he knew what he was
doing

He loved so good I had to stay for my baby James

Mama said I was naive

'Said one day he'd pick up and leave me.

But 'till that day I best be strong for my baby James

He's as cold as an ice box, there's nothing inside him

Just crack him open, hear the echoes holler

Where's my baby James

Oh I begged him not to go

But nothing would move him

He said he'd women to meet

And countries to topple

Before you cart me away

Tell him I'm real sorry

Oh, I love him just the same, my baby Jame

Call of f the search party there's nobody coming

My baby's gone where you never will find him

Where's my baby

Where's my baby

Bye bye baby James
