I?ve got six things on my mind, you?re no longer one of them

I?ve got six things on my mind, you?re no longer one of them

I?ve got six things on my mind, you?re no longer one of them

(Desire as a sylph figured creature who changes her mind)

I?ve got six things on my mind, you?re no longer one of them

(Desire as a sylph figured creature who changes her mind)

They were the best times, the harvest years with jam to lace the bread

So goodness, goodness knows why I?d throw it to the birds

But there it is and there we are

And all I ever want to be is far from the eyes that ask me

In whose bed you gonna be and is it true you only see
Desire as a sylph figured creature who changes her mind?

Desire as a sylph figured creature who changes her mind

It?s perfect as it stands, so why then crush it in your perfect hands?

(Desire as a sylph figured creature who changes her mind)

I?ve got six things on my mind, you?re no longer one of them

I?ve got six things on my mind, you?re no longer one of them

So tell me you must have thought it all out in advance
Or goodness, goodness knows why you?d throw it to the birds

You mock the good things you play the heart strings,
play them one by one

But there it is and there we are

And all I ever want to be is far from the eyes that ask

me

In whose bed you gonna be and is it true you only see
Desire as a sylph figured creature who changes her
mind?

It's perfect as it stands so why then crush it in your
perfect hands?

Desire as a sylph figured creature who changes her
mind?

In whose bed you gonna be and is it true you only see
Desire as a sylph figured creature who changes her
mind?

I've got six things on my mind, you're no longer one of
them

I've got six things on my mind, you're no longer one of
them

It's perfect as it stands so why then crush it in your
perfect hands?

Desire as a sylph figured creature who changes her
mind

Desire as a sylph figured creature who changes her
mind

I've got six things on my mind, you're no longer one of
them

I've got six things on my mind, you're no longer one of
them

(It's perfect as it stands so why then crush it in your
perfect hands?)

I've got six things on my mind, you're no longer one of
them

(Desire as a sylph figured creature who changes her
mind)
