There is a door we all walk through  
And on the other side I'll meet you  
Reunion in the air  
A cappella meets pure prayer

Somewhere, I can't wait to meet you there  
Somewhere, I can't wait to meet you there

If there ain't a heaven that holds you tonight  
They never sang doowop in Harlem  
If there ain't a heaven that holds you tonight  
They never sang doowop in Harlem

There is a door it may seem locked  
But in a little while, don't be shocked  
Above the noise, behind the glare  
I know you're listening out there somewhere

Somewhere, I can't wait to meet you there  
Somewhere, I can't wait to meet you there

If there ain't a heaven that holds you tonight  
They never sang doowop in Harlem  
If there ain't a heaven that holds you tonight  
They never sang doowop in Harlem

If there ain't a heaven that holds you tonight  
They never sang doowop in Harlem  
If there ain't a heaven that holds you tonight  
They never sang doowop in Harlem

If there ain't a heaven that holds you tonight  
They never sang doowop in Harlem  
If there ain't a heaven
