I've been asking what is new
Like my streetwise buddy do
Body talk seems big with him
So it's conversations in the gym

Ooh enchanted, ooh enchanted

Pray forsooth and I adore

So how'd you recognize a king?
You ask yourself can that cat swing

And it's time to learn tiger stretch tiger burn
And the calendar pages blew
Like the Montagues
Like the Capulet crew
We're addicted to friction too

Coming down the years
Plain enchantment
That's the glue that binds and bonds
The dying to the new
Plain enchantment
Ain't no purple rain quite like it

But sensitive as any girl

It's time to learn tiger stretch tiger burn
And the calendar pages blew
Like the Montagues
Like the Capulet crew
We're addicted to friction too

Time to learn tiger stretch tiger burn
And the calendar pages blew
Like the Montague
Like the Capulet crew
We're addicted to friction too

Tiger stretch
Now we're living
Now we're living
Now we're living
