Go, go, go

Put your sweet lips a little closer to the phone  
Let's pretend we're together all alone  
I'll tell the man to turn the jukebox way down low  
And you can tell your friend there with you

He'll have to go  
Go, go, go  
Go, go, go

Whisper to me, tell me, do you love me true  
Or is he holding you the way I do?  
Though love is blind, make up your mind I have got to  
know  
Should I hang up or will you tell him

He'll have to go  
Go, go, go

You can't say the words I want to hear  
While you're with another man  
Do you want me, answer yes or no  
Darlin' I will understand

Put your sweet lips a little closer to the phone  
Let's pretend we're together all alone  
I'll tell the man to turn the jukebox way down low  
And you can tell your friend there with you

He'll have to go  
Go, go, go  
Go, go, go
