If you don't love me
Oh if you don't love me

You can tell me anything
You can tell me anything
I'll believe you

You know it too
Shame the truth with lies
Say the sun won't rise
Only realize

If you don't love me
Oh if you don't love me
I will know, I will know

If you don't love me
Oh if you don't love me
I will know, I will know

You can ask me anything
You can ask me anything
I will do it

You know it too
Nothing I won't do
If you want me to
But it's all so true

If you don't love me
Oh if you don't love me
I will know, I will know

If you don't love me
Oh if you don't love me

If you don't love me
Oh if you don't love me
I will know, I will know

If you don't love me
Oh if you don't love me

I will know
