Jesse was a renegade danced to his own drum

Growin' wise could wait 'til tomorrow

Took to a road signposted sorrow

Jesse was a hooligan jumped right off the rail

There in the cards there in the tarot

Born to despise the straight and the narrow

Jesse was a connoisseur

Home cookin' tasted stale

Jesse james bolero is a dance upon the run

Every step proclaims that he's a wayward son

Jesse james is waiting

For the cheap music to stop

Don't goodbye deserve some bach not barbershop ?

Jesse didn't hear the drum suddenly lose time

All his plans crafted, clever

Fated unborn - unfinished forever

Jesse didn't hear the drum stop outside his door

In his dreams destiny towered

In the cold light of day it came as a coward

Jesse didn't hear the drum

At the age of thirty-four

Jesse james bolero is a dance upon the run

Every step proclaims that he's a wayward son

Jesse james is waiting

For the cheap music to stop

Don't goodbye deserve some bach not barbershop ?

Jesse james bolero is a dance upon the run

Every step proclaims that he's a wayward son

Jesse james is waiting

For the cheap music to stop

Don't goodbye deserve some bach not barbershop ?
