Aren't you a skinny kid
Just like his poppa?
Where's he working?
He's not working

Thin as the smile I wear
Cold as the beaches you comb
'Til the cows come home

Tell the truth again
Tell the truth again
Near to the knuckle
Near to the knuckle

Why are you laughing?
You call that laughing?
Wearing your death's head grin
Even the fishes are thin
When the boat comes in

Things are better now
Things are better now
We've education

I doff my cap to a life that lets you
Dream a poor man's dream
But he can't have his coffee with cream
'Til the cows come home
