Through the rails I spied
Your ponytail. I tried
With sugar cubes - And they're O.K.
But I don't think
I'll catch you that way
I hate myself 'cause you're so cool
With your mocking eyes
"Won't you look at the old fool"
Wild horses - I want to have
Wild horses - I want to have
Wild horses - I want to have
Wild horses - I want to
Look at you - Unflawed.
Now look at me - Plain overawed
Grace and looks take no credit for
Girl you're young
And they're part of the score
Like the chemicals at war in me
'Til I'm a wolf with an eye for the ponies
Wild horses - I want to have
Wild horses - I want to have

Wild horses - I want to have

Wild horses - I want to

I want extra time to play,

Afternoons in the hay

It's a sorry way for a man to feel

But sentimental is part of the deal

I hate myself because it shows how

I'm a fool for your rodeo

Wild horses - I want to have

Wild horses - I want to have

Wild horses - I want to have

Wild horses

Wild horses - I want to have

Wild horses - I want to have

Wild horses - I want to have you
