So scream you, out from behind the bitter ache
Heavy on the memory you need most
Ya still want love...love's ugly, smooth and delicate
But not without affection...no, not alone

And instead of wishing that it just get better
Man, you see that you just get angrier

And it's good that I'm not angry
Will I need to get over
I'm...I'm not angry anymore

Cry when you cry, run when you run
Love when you love
Represent the ashes that you leave behind

And instead of wishing that the road had shoulder
Man you see that you're sinking over time

And it's good that I'm not angry
Well I need to get over
I'm..I'm not angry
Well it's draggin' me under
I'm..I'm not angry

I'm not angry and it's never been enough
It gets inside and it tears you up
I'm not angry but i've never been above it
You see through me don't you?

Well it's good that I'm not angry.
