It's nothing, it's so normal
You just stand there I could say so much
But I don't go there 'cause I don't want to

I was thinking if you were lonely
Maybe we could leave here and no one would know
At least not to the point that we would think so

And everyone here, knows everyone here is thinking
about somebody else
Well it's best if we all keep it under our heads
I couldn't tell, if anyone here was feeling the way I do
But I'm lonely now, and I don't know how
To get it back to good

This don't mean that you own me
This ain't no good, in fact it's phony as hell
But things worked out just like you wanted too

If you see me out you don't know me
Try to turn your head, try to give me some room
To figure out just what I'm going to do

Cos everyone here, hates everyone here for doing just
like they do
And it's best if we all keep this quiet instead
And I couldn't tell, why everyone here was doing me
like they do
But I'm sorry now, and I don't know how
To get it back to good

No oh no... No oh no... No oh no

Everyone here, is wondering what it's like to be with
somebody else
Everyone here's to blame,
Everyone here gets caught up in the pleasure of the
pain
Everyone hides shades of shame,
Yeah, but looking inside we're the same, we're the
same

And we're all grown now, but we don't know how
To get it back to good

So good
No oh no... No oh no... No oh no

Everyone here, knows everyone here is thinking 'bout
somebody else
And it's best if we all keep this under our heads
See, I couldn't tell, if anyone here was feeling the way I
do
But it's over now, and I don't know how,
Cos it's over now
There's no getting back to good

No oh no... No oh no... No oh no
No oh no... No oh no... No oh no
