You think this life would make me bolder
But I'm runnin' scared is all
I hang on everything about you
You think I'd settle down cuz I'm older
But I roll with the change is all
I'm same old trailer trash in new shoes

She gets sad when there's nothing going on
She says it makes her feel damn worthless

Chorus 1:

Well, ya got to think, with a girl like, any love at all
Is better than nothing
Yeah, it's better than nothing

I put my hands around your shoulders
You're saying you're scared is all
I think I know too much about you
You think this life would make me colder
I give in to the alcohol
I put my loving arms around you, child

You knew damn well there was nothing going on
Is that what makes you feel damn worthless?

Chorus 2:

Well, ya got to think, with a girl like that, any love at all
Is better than nothing
It's better than nothing
Ya got to think, with a girl like that, any love at all
Is better than nothing
Yeah, it's better than nothing

Yeah, well, she drags you down and she pulls you up
She pulls you up
She says that she's sorry now but it's not enough
To pull you up
Well, she's sorry...

I wake up quick just like I want to
Yeah, but I stay up much too late

You think this life can get a bit unkind
But she stays down 'til the worth is gone
and pulls you up, she pulls you up
She pulls you up and over...over...

(Chorus 2)
