What curse has been bestowed on me
Can't think, can't see, can barely breathe
What I say is not made my own
Something's claimed my entire soul

Lost all sanity
Will you pray for me

Possession has claimed my life
Oh god, I fear THIS IS THE END!!!

Family left me to stray
As I point the finger who to blame
The holy one knows the way
But he turned his back and walked away

No priest will save me
Will you pray for me

Possession has claimed my life
Oh god, I fear this is the end
OF MY LIFE (It's over)
My body is growing colder

GO
AWAY

I'VE BEEN
Showered in the face
Body twisted out of place
Realizing that my whole life is a fucking waste
A crucifix in a hand pushing into my head
Just to kill a demon already dead

Will God damn us all?

Can't control what I do
Bound down, I can't move
What is this phase that I am going through?

Possession has claimed my life

Oh god, I fear this is the end
OF MY LIFE (It's over)
My body is growing colder

SCREWED!.. I'M GROWING COLDER!!!!
