WAKE UP JUST TO START THE DAY!!!

Watch the clock

Watch it ticking away

With every second you breathe

Wishing the future will be at ease

Every minute feels like forever

Every hour it feels like you're further

REALITY! REMINDS YOU OF YOUR DREAM!!!

Now is the time for a change

The longer you wait, it slips away

You push to break through

The path you know is

You know it's true

YOU KNOW IT'S TRUE!!!

Your heart reminds you what you're proving

Don't look back

Just keep on moving

Just keep your eyes on the prize

DON'T STOP UNTIL YOU'VE CROSSED THAT LINE

Every step will get you further

Every mile will bring you closer

DON'T STOP UNTIL YOU'VE CROSSED THAT LINE

Now is the time for a change

The longer you wait it slips away

You push to break through

The path you know is

You know IT'S TRUE

Don't let the strain drag you down

There are no chains for you to be bound

Graining ground your heart starts to pound

In your head there's a familiar sound

An internal voice, it's screaming so loud

SCREAMING SO LOUD

IT'S SCREAMING. SO LOUD!!!!

Now is the time for a change
The longer you wait it slips away
You push to break through
The path you know is
You know it's true

GO!
