I am neither breather or speaker
I am neither walker or sleeper
I am neither sister, brother, son or daughter
So holding in my chest is my heart, ain?t your home or
quarter

I am under no disguise
I am under no disguise
I am under no disguise
I am under no disguise

I am under no disguise
I am under no disguise
I am under no disguise
I am under no disguise

I am under no disguise
I am under no disguise
I am under no disguise
I am under no disguise

I am under no disguise
I am under no disguise
I am under no disguise
I am under no disguise

I am neither breather or speaker
I am neither walker or sleeper
I am neither sister, brother, son or daughter
So holding in my chest is my heart, ain?t your home or
quarter
