(Intro) we don't write poetry because it's cute we read  
and write poetry  
Because we are members of the human race these are  
what we stay  
Alive for (verse one) you see, you can try to shut me  
down and put down  
The volume but you will never stop these lyrics, (stuck  
on your mind)  
that's THE OUTCOME you see, I did this for respect and  
my success  
I could care less about an income Ya'll hood- ride-to-die  
kids wanna get  
Signed  
Me? I said forget a label and kept my freedom I could  
careless if there  
is, or there isn't  
Any rhythm I wrote deep lyrics so forget your whole  
album I could  
Careless  
If you hate me, I got over... over... over... over a million  
fans who have  
Their speakers  
Pumpin like Boom Boom Bo-Bo-Boom These other  
rappers get ticked off like I'm  
Hittin  
On their girlfriend in the same room haha... I could  
careless  
About the fame and today it seems like all these  
rappers sound the same  
Like... I got your back if you got my back  
Now let's attack the guy who has the world on his back  
And that shoulder is mine and it's like a boulder that I  
cannot  
lift over they say my music lacks what they call  
greatness  
Then they use me for some self founded success I  
don't get  
This if my music really sucks? why did you look me up?  
why  
Do you give a fuck? why do you give a fuck if I suck?  
I'm A PART OF YOUR LIFE, WEITHER YOU ACCEPT IT OR

NOT
