Solidificado Lyrical... If you think about it, you wouldn't  
have searched me  
Up if you didn't care, so shut the fuck up and turn the  
speakers up... No  
Intro!

El Lyrikah... I touched paper with a pen, they called it  
history  
I got fansigns with girls saying "fuck me"  
Haha... so fuck me  
I meant fuck yall wanna be's, yall just wanna bees  
So dr-dr-dro-dro-drop DEAD  
This stage was meant for Me  
Yall outta place like a Muslim at a concentration camp  
God willing I'll be mentioned with the legends,  
So I'll put every rapper down and piss on em  
With my cock in hand, turn around, and shit on em  
Ugh!

El Lyrikah... Solidificado Lyrical... Geenyis... If you think  
about it, you  
Wouldn't have searched me up if you didn't care, so  
shut the fuck up and turn  
The speakers up
