Lullaby and good night
In the sky stars are bright
'Round your head
Flowers gay
Set you slumbers till day

Lullaby and good night
In the sky stars are bright
'Round your head
Flowers gay
Set you slumbers till day

Close your eyes
Now and rest
May these hours
Be blessed

Close your eyes
Now and rest
May these hours
Be blessed

Bonne nuit cher enfant
Dans tes langes blancs
Repose joyeux
En revant des cieux

Good night dear child
In your white sheets
Rest happy
Dreaming of Heaven
Quand le jour reviendra
Tu te reveilleras
Quand le jour reviendra
Tu te reveilleras

When day will be back
You'll wake up again
When day will be back
You'll wake up again
Lullaby and good night

In the sky stars are bright
'Round your head
Flowers gay
Set you slumbers till day
