Hotter than you know!

(Yeah yeah yeah
I'm hotter than you know)

Every girl seems to have an eye on you
and I think you know it, boy
if you think I'm gona trying to join the cue
then you gotta another thing coming

I like to think of me
as a kind of girl who never ask to chase her pray
and even how to see him from day to day

Bridge:
It's just the way it is
if you wanna get my kiss
IÃfÃ, 'm not your ...girl. That's more to this

Chorous:
I'm hotter than you know
I'm indestructaible
I've got this game ot not
I'm everything that you gonna stop
I think that we work it out
I stand up from the ground
So forget what you've been told
I'm hotter than you know
I really didn't mean to stop your flow
it's something i think you should know
if you gonna trying to step to me
-better concurrently

Just put work of me
It's something I had heard before
and if I like it what I hear
maybe we can talk

Bridge

Ho ho Hotter. Ho Ho Hotter. I'm hotter than you know.

Chorus

It's just the way it goes
don't wanna stop your flow
but have to let you know
forget what you've been told
oh oh I'm hotter than you know

Chorus 2 Times
