I can't stop thinking 'bout you baby-Babe
Sometimes I think I'm really goin' crazy
'Cause whenever I see you it's amazing
My heart starts beatin' and Racin'
What can I say to you?
Do you feel the same way too?
I'd do anything for you
To make you see that my love is so true
So true...

Refrain:

Well, Well, Well I tattoo Â- I tattoo you in my heart and
my
Mind
And my soul now I tattoo you 'cause nothing can
compare
To you I Tattoo you
Just to prove that I'll always love you I tattoo Â- I
Tattoo you 'cause nothing
Can compare to you

You're the kind of man I always dream about
It makes me wanna scream and shout out
Really loud, When you talk I hang on every
Word you say when you move you're like the breeze on
a
Summer day
You're irresistible and so incredible, you're
Irreplacable,
I'll make you see that my love is so true So true...

Refrain:

Well, Well, Well I tattoo Â- I tattoo you in my heart and
my
Mind
And my soul now I tattoo you 'cause nothing can
compare
To you I Tattoo you
Just to prove that I'll always love you I tattoo Â- I
Tattoo you 'cause nothing
Can compare to you

I can't go on without you by my side
I'm not that strong I need you in my life
Don't leave me in the cold I can't take it
Anymore, anymore

Refrain:

I tattoo - I tattoo you in my heart and my Mind And my
Soul now I tattoo you 'cause nothing can compare to you
I Tattoo you just to prove that I'll always love you I
Tattoo - I tattoo you 'cause nothing can compare to you
Well, Well, Well I tattoo - I tattoo you in my heart and
my
Mind
And my soul now I tattoo you 'cause nothing can
compare
To you I Tattoo you
just to prove that I'll always love you I tattoo - I
Tattoo you 'cause nothing
Can compare to you
